UNDERWRITING GUIDELINES

BINDING AUTHORITY

Binding applies to new business applications provided any application meets the published underwriting guidelines and is submitted without omissions and with the required down payment. Binding applies to endorsements provided any endorsement request is completed and submitted electronically via myprogen.com.

Any application or endorsement submitted which does not meet the specified underwriting guidelines outlined in this manual, or submitted with omissions or without the required down payment will not be bound unless the Company chooses to accept the risk.

If your Producer Agreement grants Binding Authority, binding is granted from the effective date and time of the application, including Saturdays, Sundays and legal holidays. Unless the application or endorsement has been uploaded within three (3) days of the date signed by the applicant or the agent (in the case of endorsements that do not require an applicant's signature), coverage will be bound effective 12:01AM Standard Time on the date after the application is uploaded.

WEATHER RESTRICTIONS

Binding authority for physical damage coverages is strictly withdrawn, and deductibles may not be lowered, in the following situations:

1. When the National Weather Service issues a hurricane, tornado, flood, or other similar natural disaster "watch" or "warning" within 100 miles of the location of the proposed risk.
2. For the 72 hour period following the National Weather Service lift of a hurricane or tornado "watch" or "warning" unless each automobile for which physical damage coverage is to be bound is personally inspected by the producer and all vehicles are found to be in operable condition, with no existing damage. Comprehensive photos of the vehicle must be provided at the time the application is submitted (left-front and right-rear angles).

GENERAL INFORMATION

COMMISSIONS

Commissions will be paid electronically to the agent's designated bank account by the 15th of each month for all premiums posted during the preceding month. Commissions are not paid on any fees.

POLICY PERIOD

Policies may be written for a six (6) month term or a twelve (12) month term. Policies are not continuous and will renew only upon payment of renewal premium before the expiration date. There is no grace period for payment of renewal premiums.

NEW BUSINESS

New business down payments must be submitted via EFT from the agent's account, or directly from the customer via the customer's credit card or a direct debit from the customer's bank account. Gross premium must be submitted with the application. Any shortages in down payment resulting from misrate or up-rate will be invoiced to the insured separately or added into the next scheduled installment, depending upon the billing date. The balance of any up-rate or misrate will be distributed over the remaining installments.

APPLICATIONS

All new business applications must be uploaded and a copy of the signed application faxed, uploaded to the company, or retained in the agent's office. All applications must be completed in full without omissions and signed by the applicant. The signature must be witnessed by an authorized producer, as evidenced by the producer's signature on the application in order to secure bound coverage.

All vehicles must be inspected by the agent at the time coverage is bound with a copy of the signed inspection form and two photos faxed or uploaded to the company if comprehensive and collision is purchased. Agents may not bind coverage for vehicles with existing damage, other than normal wear and tear that is disclosed on the application.

Inspection is not required if any of the following criteria apply:

- New, unused motor vehicle purchased from a licensed motor vehicle dealer or leasing company, if insurer is provided a copy of the bill of sale or buyer's order which contains a full description of the motor vehicle including all options and accessories; or a copy of the title/registration showing transfer of ownership and a copy of the window sticker/dealer invoice with all options listed.
- A temporary substitute motor vehicle.
- A motor vehicle which is leased for less than six (6) months, if the insurer receives the lease or rental agreement containing a description of the leased motor vehicle, including its condition.
- A vehicle that is ten (10) years old or older, as determined by reference to the model year.

ENDORSEMENTS

When adding a driver and a vehicle that are not the named insured's spouse or child, we require proof that the vehicle is registered to the Named Insured. A completed driver exclusion form is required to delete a spouse or a driver who remains a resident of the named insured's household.

Most policy changes can be processed online. The balance of additional endorsement premium will be distributed over the remaining installments.

Return premiums owed an insured are first applied to any policy balance, including fees, with the remaining payments reduced by such amount. Refunds over the policy balance will be returned directly to the insured following the termination of coverage as required by law.

NOTE: If a policy terminates for nonpayment of premium as a result of an additional premium, please remember that apportioned agent commission is charged back; collecting adequate additional premium could save the agent from losing

commission income on premium that would otherwise have been earned.

RENEWALS

If the company offers a renewal, the renewal declarations page will be mailed to the insured at least 30 days prior to the expiration date of the current term. The minimum renewal down payment premium must be paid before the expiration date of the policy, as witnessed by US postmark or the upload date if the payment is transmitted electronically to the company. Insureds set up for non-renewal will be mailed a non-renewal notice at least 45 days prior to the expiration date of the policy.

CANCELLATIONS

Flat Cancellations

Insured requests for flat cancellations are not allowed unless:

1. The company is provided evidence of duplicate, concurrent coverage in the form of a company-generated declaration page, OR
2. Request for flat cancellation is received prior to the policy effective date, OR
3. Within 2 (two) business days of the policy effective date, proof is provided that the insured never took ownership of the vehicle.

NSF Checks received with New Business Applications:

If any insured passes an insufficient funds check on the original new business application, the company will provide a flat cancellation.

NSF Checks received with Installment Payments:

On subsequent premium payments, if an insured submits an insufficient funds check to the producer or company, a legal notice of cancellation for nonpayment of premium will be generated. If the policy was pending cancellation at the time the (NSF) payment was applied, the policy will re-cancel back to the pending cancellation date.

Total Losses

The Company will not automatically cancel a policy as a result of a reported total loss. Cancellation of the policy or of policy coverages must be requested by, and signed for by, the insured.

Insured-Elected Cancellations

Cancellations requested by the insured must be submitted in and writing and include the policy number and insured's signature. The refund will be calculated as the unearned pro-rata premium x .90. All fees are fully earned.

Company-Elected Cancellations

Any cancellations initiated by the company will be calculated on a pro-rata basis.

Waiver of Premium

If a policy cancels with a balance due either the insured or the company, the company will waive both payment of balances due or collection of monies owed if the amount is no greater than \$5.00. All refunds owed insureds will be paid, regardless of the amount, if requested by the insured.

REINSTATEMENTS

Reinstatement of non-pay cancellations will occur only upon approval from and receipt by the Company of the full premiums due the Company, including applicable fees. "Receipt" is deemed to be receipt of verified legal tender of all monies owed. Payment to the agent is not acceptable as payment to the Company once a cancellation is in effect. Prior approval must be obtained from the company and a reinstatement fee may apply.

DO NOT ACCEPT LATE PAYMENT OF PREMIUM WITHOUT PRIOR APPROVAL FROM THE COMPANY.

DRIVERS

Century-National requires a 36-month verifiable driving record. If any experienced driver is newly licensed in Florida, please provide the driver's prior state's license number. We will order driving history from multiple states to ensure a 36-month history.

DRIVER EXCLUSIONS

Exclusions are not allowed on policies with only Personal Injury Protection and Property Damage Coverage.

You may exclude the following drivers from the policy:

1. A spouse who is not specified as a Named Insured on the Declarations.
2. Any person age 15 or older who resides with the applicant or with an insured driver;
3. Children temporarily away at school; or,
4. Any licensed resident who is temporarily living at another residence.

You MUST exclude the following drivers from the policy:

1. All persons 15 years or older who reside in the insured household and do not hold a valid license or learner's permit.
2. All persons with a permanently revoked license.

The named insured must sign the Driver Exclusion Form and a copy must be faxed or uploaded to the company.

Driver exclusions apply to all subsequent renewals unless the Company is notified in writing to remove the excluded driver. No more than 2 drivers may be excluded on any policy. The Excluded Driver Surcharge will be applied to applicable coverages. See SURCHARGES section for more details.

Note: Any resident age 15 or older and anyone having regular use of an insured vehicle must be listed on the application and rated as an operator on the policy or excluded. Failure to disclose all legal residents 15 and older AND anyone having regular use of an insured vehicle will subject the insured to policy rescission.

Marital Status

Married means legally married. Single means not legally married; cohabitation does not constitute legal marriage for purpose of rating risks and for assuming certain policy rights.

VEHICLES

Vehicles are assigned company defined symbols. For vehicles with a current or future model year that are not yet defined, the company will rate the vehicle similarly to a like vehicle until a symbol is assigned and filed.

POLICY CHANGES

The Named Insured may be removed from the policy in the following cases:

1. Death – Century-National requires a death certificate to remove the named insured. If the surviving spouse is not already listed as a Named Insured, the policy should be endorsed to reflect this change. Named Insureds may not be changed to estates, trusts, executors or other heirs.
2. Divorce – only when the Named Insured being removed willingly signs a request to remove him/her may the policy be endorsed for this change. Otherwise, the spouse wishing to remain sole Named Insured should have a new policy written in his/her name, removing him or herself from the original policy.

When adding a driver and a vehicle that are not the named insured's spouse or child, we require proof that the vehicle is registered to the Named Insured. Deleting a Named Insured requires that person's original signature. A completed driver exclusion form is required to delete a spouse or a driver who remains a resident of the named insured's household.

When changing a vehicle, no increase in coverage applies until you have notified us. If the replacement vehicle is unacceptable and the original vehicle was covered for liability only we will only cover the replacement vehicle for liability. If applicable, an unacceptable risk surcharge will be applied to the policy. In all unacceptable cases, the file will be set for non-renewal.

Special Provisions for Unacceptable Exposures

1. If an insured or insured vehicle is relocated outside of Florida during the policy term, the policy will be surcharged and canceled or non-renewed.
2. If an insured adds an unacceptable vehicle, unacceptable operator, or increases the risk exposure in a manner that would have rendered the risk unacceptable for new business or renewal, the policy will be surcharged and will be marked for cancellation or nonrenewal.

PREMIUM FINANCING

Premium financed policies are not permitted.

AVAILABLE COVERAGES

Personal Injury Protection and Property Damage Liability

Personal Injury Protection (PIP) and Property Damage (PD) liability must be written for all vehicles on the policy at the same limit of liability for each vehicle. PIP coverage is available at a \$10,000 limit for the named insured only OR the named insured and resident relatives. PIP deductibles are available as shown below, and the option to exclude Work Loss coverage is available.

<u>PIP Deductible Option</u>	<u>PD Limit Options</u>
\$0	\$10,000
\$250	
\$500	
\$1,000	

Comprehensive and Collision may be written on a PIP/PD only policy subject to physical damage rules.

Physical Damage Coverage

Physical damage coverage cannot be written without statutory liability coverage. Collision and Comprehensive coverages, when selected, must be written together on the same vehicle. Vehicles of a multi-car risk may have different deductibles, except \$1,000 Collision deductible must be purchased with a minimum \$500 Comprehensive deductible.

<u>COLL Deductible Options</u>	<u>COMP Deductible Options</u>
\$250	\$250
\$500	\$500
\$1000	\$1000

Rental Reimbursement Coverage

Rental Reimbursement coverage may be written only when Collision and Comprehensive coverages are selected. If selected, Loss of Use coverage must be written for all vehicles with physical damage coverage. Rental Reimbursement limits are \$20 per day, up to 30 days, maximum of \$600 per occurrence.

Substitute Vehicle Coverage / Rental Car Coverage Endorsement

Substitute Vehicle coverage may only be written at new business when Collision and Comprehensive coverage is selected on at least one vehicle. Coverage will be removed if all vehicles with Collision and Comprehensive are removed from the policy. This coverage extends physical damage coverage to a rented vehicle rented either for pleasure use or as a substitute for your covered auto which is out of service due to an accident or loss.

VIOLATIONS/ACCIDENTS

For rating purposes, evaluate each operator's record for the past 36 months, using violation and accident conviction date. Points are charged for each accident and/or violation appearing on the MVR, developed on the application, previously reported to the company, or developed through other reporting agencies. The violation occurrence date is used to determine if an accident or violation falls within the chargeable period.

Violations charged in accordance with Florida 626.9541 and defined within the statute are assessed their respective point values when they are the second or subsequent violation occurring in the preceding 18 months or the third or subsequent violations in the preceding 36 months.

If there are more vehicles than operators, check carefully for undisclosed operators as coverage may be voided if the existence of licensed operators is misrepresented to the company.

ACCIDENTS

All accidents, regardless of driver fault, must be declared on the application for insurance. Any accident(s) listed on a motor vehicle report, application, or other underwriting report will be considered at fault if the insurer's file contains information from which the insurer in good faith determines that the insured was substantially at fault. However, an accident will not be considered at fault if:

1. Vehicle was lawfully parked.
2. Accident was reimbursed by, or on behalf of, a person responsible for the accident or has a judgment against such person.
3. Vehicle was struck in the rear by another vehicle headed in the same direction and was not convicted of a moving traffic violation in connection with the accident.
4. Vehicle was hit by a "hit-and-run" driver, if the accident was reported to the proper authorities within 24 hours after discovering the accident.
5. Insured was not convicted of a moving traffic violation in connection with the accident, but the operator of the other automobile involved in such accident was convicted of a moving traffic violation.
6. Insured was finally adjudicated not to be liable by a court of competent jurisdiction.
7. Insured is in receipt of a traffic citation which was dismissed or nolle prossed.
8. Accident was not at fault as evidenced by a written statement from the insured establishing facts demonstrating lack of fault which are not rebutted by information in the insurer's file from which the insurer in good faith determines that the insured was substantially at fault.
